Steam iron

Azur Ionic

Ionic Deepsteam

GC4630

Removes creases easily from cotton and linen

Powerful ironing with Ionic DeepSteam

Remove even the toughest creases, thanks to Ionic DeepSteam. This powerful steam iron creates 50% smaller steam particles that reach deep into stubborn fabrics like cotton and linen, so you get great results easily!

Easy crease removal from cotton and linen

- 50% smaller steam particles reach deeper into tough creases
- Steam boost up to 150 g/min for the most stubborn creases
- SteamGlide soleplate is Philips premium soleplate
- Continuous steam output of up to 40 g/min for better crease

Safe ironing

- Electronic safety shut-off when iron is left unattended

Comfortable ironing

- Soft grip for lasting ironing comfort

Reaches into tricky areas

- Steam tip allows you to have steam in hard-to-reach areas

Highlights

Ionic DeepSteam

The ionization process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate. It has great scratch resistancy, glides excellent and is easy to clean.
