Revive your delicate clothes with steam

Designed for efficiency and convenience

The new Philips DailyTouch garment steamer is designed for efficient crease removal on your delicates and difficult to iron garments. Just hang your clothes on the integrated hanger and refresh them using the power of steam

Quick crease removal

- Powerful continuous steam
- XL steam plate for quick results

Easy to use

- Adjustable pole
- Large detachable water tank

Maximum safety

- Glove for extra protection during steaming
- Safe to use on delicate fabrics, like silk
- PVC free silicon steam hose

Refreshes clothes without washing or dry cleaning

- Removes cigarette, food and body odors
- Steam kills up to 99.9% of bacteria*

Highlights

Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Safe on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

Detachable water tank

Large, detachable, transparent water tank suitable for 30 minutes of steaming. Easy refill with large filling hole.

PVC free silicon steam hose

The steam hose is made of silicon material which is the safe and healthy choice for use with steam. As the safety and health of your family is important, no PVC is used in the steam hose.

XL steam plate

The special ergonomic steamer head has an XL steam plate which helps you achieve results quickly.

Glove for extra protection

Included is a glove that protects your hand during steaming.

Steam kills bacteria

Hot steam kills up to 99.9% of bacteria on clothes and helps delaying washing or dry cleaning*.

Removes unwanted odors

Powerful steam removes cigarette, food and body odors.
