Highlights

Rapid Air technology

Rapid Air Technology, with its unique "starfish" design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

Air is the new oil

The Philips Essential Airfryer uses hot air to cook your favourite foods to crispy perfection, with up to 90% less fat.*

Tasty Airfryer recipes

Discover hundreds of mouth-watering Airfryer recipes that are tasty, healthy and fast to make. The recipes in the NutriU app are curated by nutritional experts for everyday cooking.

Bake. Grill. Roast. Or reheat.

The new Philips Essential Airfryer opens up a world of possibilities: fry, bake, grill, roast and even reheat! Cook your food to perfection every time, no matter what you choose to make.

The No.1 low-fat fryer

Philips is the world's leading low-fat fryer brand**

Homemade. Made easy.

Unleash the full potential of your Airfryer to cook meals that are tastier and healthier. Explore time-saving features and strengthen your cooking skills to make homemade meals that you and your family love, every day.

Time and Temp control

The integrated timer allows you to preset cooking times of up to 60 minutes. The auto shutoff function includes a sound to let you know that your dish is ready. A fully adjustable temperature control lets you preset the best heat setting for the food that you're cooking, up to 200 degrees. Enjoy crispy golden-brown chips, snacks, tasty chicken and more – all prepared at the right temperature for the ideal amount of time.

Airfryer experts for 10+ years

Our team of experts have been perfecting the Airfryer technology for over 10 years.
