- Frequency: 50-60 Hz
- Product dimensions: 303 x 120 x 152 cm
- Product weight: 1.55 kg
- Water tank capacity: 350 ml

Highlights

Steam Tip

The unique Steam Tip combines a particularly pointed front of the soleplate with special steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

Drip-stop system

Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.
