Designed around you

- Strength select for adjusting the intensity of your coffee
- Decalcification indicator light

Easy to experience

- Drip stop to pour a cup of coffee whenever you like
- Auto shut-off after 2 hours
- Detachable water tank for easy filling
- Swing filter holder for easy filling of coffee
- Cable storage for easy placement in your kitchen
- Dishwasher-safe parts for easy cleaning
- Timer to wake up with the smell of fresh coffee

Highlights

Strength select

Adjust the intensity of your coffee from mild, medium or intense coffee.

Decalcification indicator

The Philips coffee machine will remind you when to descale your appliance. Regular descaling ensures the best taste of your coffee and prevents lime scale from tap water.

Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Auto shut-off

Forgot to turn off the coffee machine? Don't worry! 2 hours after brewing the coffee, the coffee machine will shut off automatically to save energy.

Detachable water tank

The water tank is detachable, which makes it easy to fill water or clean the water tank.
