- Comfortable handle with texturing for easy grip
- Cord winder for easy cord storage
- The light weight iron helps to iron with less effort

### Full control

- Easy temperature control
- Temperature light indicates when the iron is hot enough

# Highlights

## Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

## Slim tip soleplate

The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

## Button groove

Button groove speeds up ironing along buttons and seams.

## Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

## Easy storage

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

## Light weight

The light weigh iron combined with the non stick coating helps to glide easily and remove wrinkles faster .

## Easy temperature control

An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

## Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the soleplate temperature has reached the set level.
