# Highlights

## Removable digital timer

Allows easy pre-setting of the frying time. The timer can be removed from the fryer housing and taken along: you don't have to keep an eye on your food anymore!

## Removable multi-layer filter

The Philips deep fryer reduces unwanted frying smells and is dishwasherable. There is no need for replacement.

## Rise and fall frying basket

Rise and fall frying basket prevents oil splashes

## Dishwashable parts

All parts are dishwasherable except the housing

## Removable inner bowl

Removable inner bowl for easy oil pouring and cleaning

## Additional oil container

Ideal for oil filtering and storage. Filtering keeps the oil cleaner - which is better for your health - and longer-lasting. The container can also be used for storing used oil.
