Steam iron

PowerLife

2400 W

45 g/min continuous steam

180 g steam boost

SteamGlide soleplate

GC2999/80

Built to perform, day after day

4x longer life with SteamGlide soleplate*

For great results day after day, you want an iron that never lets you down. With its anti-scratch SteamGlide soleplate, high consistent steam output and integrated calc-clean, this high quality iron gives you performance that lasts.

Comfortable ironing

- Automatic shut-off when iron is left unattended
- Comfortable, textured handle for easy grip
- Drip-stop keeps garments spotless while ironing

Fast & powerful crease removal

- 2400 W to heat up quickly
- Vertical steaming for hanging fabrics
- Steam output up to 45 g/min for strong, steady performance
- Up to 180 g steam boost blasts stubborn creases

Long lasting performance

- Built-in calc-clean slider, long-lasting steam performance
- Tested cord for maximum durability and safety
- Scratch resistant SteamGlide soleplate provides good gliding

Highlights

2400 W to heat up quickly

Delivers a fast warm-up and powerful performance.

Continuous steam up to 45g/min

Strong and consistent steam output to remove creases faster.

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

SteamGlide soleplate

Our special SteamGlide soleplate smoothly glides over any fabric. It's also non-stick, scratch-resistant and easy to clean.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

Steam boost up to 180 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Quality-tested cord

All our steam iron cords are rigorously tested for maximum safety and durability.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 seconds motionless.

No more messy dripping

Our Drip Stop system lets you iron delicate fabrics at low temperatures with confidence. There's no need to worry about water droplets causing stains.

Comfortable handle

A textured handle ensures you a comfortable, ergonomic grip, so you can keep hold of the iron without ever slipping.

Specifications

Fast crease removal

Continuous steam: 45 g/min
Power: 2400 W
Steam boost: 180 g
Water spray

Easy to use

Soleplate name: SteamGlide
Water tank capacity: 320 ml
