

PHILIPS

Cordless steam iron

HI570

Great results, minimum effort

Freedom of movement with cordless function

Steam iron with cordless function

Comfortable ironing

- Cordless function for maximum freedom of movement
- Aluminium soleplate for easy gliding on all fabrics
- Continuous steam up to 30 g/min for better crease removal
- 75 g steam boost helps to easily remove stubborn creases
- Vertical steam for crease removal in hanging fabrics

Safe ironing

- Drip-stop system keeps your garments spotless while ironing
- Automatic Anti-Calc system

Highlights

Cordless steam iron

The cordless feature allows for maximum freedom of movement and manoeuvrability. There is a choice for the cordless mode for garments that need to be adjusted regularly on the ironing board enabling the iron to charge in

the meantime, or in corded mode for continuous ironing. The selection of either corded, cordless or fixed to the stand for storage can easily be made with the three position switch.
