PHILIPS

Highlights

2000W results 20% less energy

2000 W
1400 W

The highly efficient motor delivers the same performance as a 2000W vacuum cleaner while consuming 20% less energy.

Long cord

10 m

A long cord gives you a longer reach, so that you can clean a room without having to stop. This product has over 10m reach.

HEPA filter

HEPA filter

This HEPA filter catches harmful microscopic vermin that causes respiratory allergies. To maintain

effective filtration, replace the HEPA filter every 6 months.

3 liter s-bag

3 L

This large Philips dust bag capacity allows you to make optimal use of your vacuum cleaner bag, which means you have to change your dust bag less frequently.

Parquet nozzle

No more risk of scratches thanks to this nozzle with soft brush hairs, especially designed to carefully clean your hard floors.
