Vacuum cleaner  
with bag

Performer Active

1900W

AirflowMax technology

HEPA 10 washable filter

FC8650/01

## Maximum suction power for better cleaning results\*

With AirFlow Max technology and 4L dust capacity

The new Philips Performer Active delivers a better clean thanks to the Airflow Plus technology and the Powerful 1900W motor

### Excellent cleaning results

- Revolutionary Airflow Max technology for extreme suction
- 1900 W motor generates max. 375 suction power
- 4L dust capacity for longer cleaning

### Convenience

- Reach all corners thanks to the extra long ergonomic grip

### Integrated Anti-Allergy system

- EPA AirSeal with EPA 10 filter for a healthy air
- S-bag Classic Long Performance lasts up to 50% longer

# Highlights

## Airflow Max technology

Airflow Max technology maximizes the airflow, allowing the dustbag to unfold uniformly, so you get the highest suction power, even as the bag fills-up!

## 1900 Watt 375 suction power

1900 W motor generates max. 375 suction power for excellent cleaning results.

## 4L dust capacity

The specially designed 4L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

## Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

## EPA 10 AirSeal

EPA 10 Filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

## S-bag Classic Long Performance

This new Philips synthetic dust bag has been developed to provide long lasting vacuum cleaner performance, i.e. a high level of suction power and maximum filtration, up to the moment the dust bag is full and ready for disposal.

# Specifications

## Design

Color: Orange

## Performance

Input power (max): 1900 W  
Input power (IEC): 1800 W  
Suction power (max): 375 W  
Vacuum (max): 28 kPa  
Airflow (max): 40 l/s  
Noise level (Lc IEC): 82 dB

## Filtration

Dust capacity: 4 L  
Exhaust filter: HEPA 10 Washable filter  
Motor filter: Microfilter

## Usability

Action radius: 9 m  
Cord length: 6 m  
Tube type: Fixed 2-piece metal tube  
Handgrip: Ergonomic grip with air slider  
Carrying handle: Front  
Tube coupling: Conical  
Park or storage assist: Vertical and horizontal  
Wheel type: Plastic

## Nozzles and accessories

Standard nozzle: Multi-purpose nozzle  
Accessories included: Crevice tool, Small nozzle

## Sustainability

User manual: 100% recycled paper

## Weight and dimensions

Weight of product: 5.2 kg  
Dimensions of product (LxWxH): 447x304x234 mm
