Highlights

Ionic DeepSteam

The ionisation process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

Steam tip

The unique steam tip of this Philips iron combines a particularly pointed front of the soleplate with special elongated steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Heat protective cover

Heat protective cover allows immediate safe storage.

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.
