

# PHILIPS

## Steam iron

### Azur

130 g steam boost

2400 W

GC4410/07

## Power with precision

### Super steam, super glide

For easier and smoother ironing, you want the best combination of gliding and powerful steam. This Philips steam iron GC4410/02 with SteamGlide soleplate provides you the best of both!

#### Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

#### Comfortable ironing

- 2400 Watt enables constant high steam output
- 130 g steam boost to remove stubborn creases easily
- Extra-long 3 m cord for maximum reach

#### Reaches into tricky areas

- Steam tip allows you to have steam in hard-to-reach areas

#### Safe ironing

- Drip-stop system keeps your garments spotless while ironing

#### Longer lifetime

- Double Active Calc System prevents scale build-up

# Highlights

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

## 2400 Watt

2400 Watt enables constant high steam output.

## Steam boost up to 130 g

The steam boost can be used for vertical steaming and tough creases.

## Extra-long 3 m cord

With the extra-long 3 m cord of your Philips iron, you can easily reach right up to the edges of your ironing board - and further!

## Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.
