

Philips StudioPower
Vacuum cleaner with bag
with TriActive nozzle

2000W
AirflowMax technology

FC9080/01

The great little performer

Big in power, compact in size

The StudioPower from Philips combines the performance of a big vacuum cleaner with the compactness of a small one. Its big power, small size, 2 handles, and large reach offer great flexibility, so you can quickly move through your home.

Excellent cleaning results

- 2000 Watt motor generating max. 400 Watt suction power

Easy to use all over the house

- Two comfortable carrying handles for extra convenience

Highly efficient anti-allergy system

- HEPA AirSeal plus HEPA 13 filter

Easy cleaning, even around furniture

- TriActive nozzle with unique 3-in-1 action

Big reach

- An extra big 11 m reach

PHILIPS

Highlights

2000 Watt motor

This powerful 2000 Watt motor generates max. 400 Watt suction power for excellent cleaning results.

Comfortable carrying handles

This vacuum cleaner has not one, but two carrying handles. When it is on its wheels, there is a handle on top which enables you to easily move the cleaner around with very little bending. The second handle on the front side of the appliance enables you to comfortably carry it around in an upright position.

HEPA AirSeal, HEPA 13 filter

HEPA AirSeal & HEPA 13 filter

This Philips vacuum cleaner has been designed in such a way that all the air taken in is passed through the washable HEPA 13 filter (99.95% filtration) before it is exhausted. No escape is possible.

11 m reach

Thanks to its 8 m cord you have an 11 m reach without having to switch the plug.

Specifications

Design

- Color: Mystic blue
