5.5 cups

HD4723/60

More life in every bowl

Smart and automatic rice cooking

Nutrition is the most important element to keep healthy. The Philips' rice cooker HD4723/60 comes with automatic cooking programs that better preserve the freshness and nutrients in every bowl of rice.

Smart and automatic cooking

- Top and bottom heating cooks rice more evenly
- Automatic keep warm keeps rice fresh for 12 hours

Easy to operate

- One touch button for easy control

The ultimate in convenience

- Advanced lid design for easy and safe access
- Easy-to-clean non-stick inner pot
- Swing handle for easy carrying
- Easy-to-read water level indicator
- Detachable power cord for convenient storage

Highlights

Top and bottom heating cooks rice more evenly

Top and bottom heating cooks rice more evenly

Automatic 12 hours keep warm

Use the keep warm function to keep rice warm for a longer period of time. When the cooking process is finished, the rice cooker automatically switches to the keepwarm mode

One touch button

One press button to control cook or keep warm, with clear light on the panel to show cooking status

Advanced lid design

Cool surface, easy to access with one touch button

non-stick inner pot

The Philips rice cooker is specially coated with the non-stick material which is more durable and easy to clean.

Swing handle

Convenient and safe to carry the Philips rice cooker away from the kitchen, or to serve rice in dining room.

water level indicator

Clear water level marking shows capacity and rice-water ratio

Detachable power cord for convenient storage
