# Highlights

## Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

## Steam tip

The unique steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate. It has great scratch resistancy, glides excellent and is easy to clean.
