# Highlights

## Pressurized Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema – whatever coffee blend you may choose.

## 15 bar pump

High pressure ensures that the ground coffee entire aroma is always fully extracted

## Cup holder

With this practical feature you can store your espresso cups and glasses right on the espresso machine - always within reach and conveniently stored without taking up space.

## Ergonomic in day by day

Refilling coffee powder or water, emptying the filter or the drip tray. All compartments are directly accessible for maximum convenience.

## Energy efficient

This feature keeps the power consumption to a minimum. In fact, less than 1 Watt per hour is needed in stand-by mode, automatic after 1 hour, saving resources and money
