Fast and powerful ironing

Iron with 2-min quick start, refill any time

Created to speed up ironing from start to finish, the Philips iron 7400 series is ready in 2 minutes. Pressurized steam power speeds up ironing by penetrating deeper into fabric and the large water-filling inlet allows fast & easy refills

Fast and powerful ironing

- 150 g steam boost to remove stubborn creases easily
- Continuous steam up to 120 g/min
- Up to 4.5 bars of steam pressure for fast ironing
- Vertical steam for crease removal in hanging fabrics

Comfortable ironing

- Ergonomically and lightweight 1.2kg iron
- SteamGlide soleplate is Philips premium soleplate
- Heat-resistant mat: to safely place your hot iron on
- Lightweight iron for effortless ironing

Easy to use

- Start quickly: less than 2 minutes start-up time
- Refill the watertank at any time, even during ironing
- Permanent anti-calc tablets inside delay scale build up

Highlights

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Up to 4.5 bar

Double your ironing speed with pressurized steam. Pressurized steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upward sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel. The iron is light (1.2kg) for an easy & comfortable ironing experience.

Quick start: < 2 minutes

This system iron is ready to use in less than 2 minutes.

Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

Refill the watertank any time

The separate watertank allows you to re-fill the watertank any time, even during ironing, without waiting.

Iron resting mat

To improve comfort during ironing you can place the iron everywhere with the heat resistant iron resting mat. As you do not need to put the iron on its heel during intervals, you decrease the straining of your wrist. The resting mat is highly heat resistant, even when a soleplate heated to 250 °C is placed on it.

Lightweight

The iron is only 1.2 kg making ironing easy and effortless.

Specifications

Fast & powerful crease removal

Soleplate: SteamGlide
Steam output
Continuous steam output: 120 g/min
Steam boost: 150 g
Vertical steaming
