Fresh pasta and noodles in 10
minutes

Mixes, kneads and extrudes
dough

HR2357/05

Enjoy fresh homemade pasta or noodles in a less
than 10 minutes

Automatic solution to make various types of pasta

Fresh and flavorful homemade pasta and noodles have never been easier. With 1600 lb extrusion force, it can make 1 pound of pasta or noodles with perfect texture in just 15 minutes, and it is a fully automatic solution!

Fresh and flavorful pasta & noodles

- Makes a half pound of pasta in just 10 minutes

Enjoy full convenience of making pasta

- Automatic mixing, kneading and extruding

Various types and flavors of pasta & noodles

- A free recipe book with over 20 different dishes
- Unique shaping discs to create various type of pasta/noodles
- Add different ingredients to personalize the flavor

Save cleaning time and effort

- Specially designed cleaning tool for easy one-push cleaning
- Smart drawer design for shaping discs storage

Highlights

Automatic process

After choosing program and pressing start button, the machine automatically mixes, kneads and extrudes in one go.

Personalized taste

By using different flour and adding different ingredients like egg, herbs or spinach and carrot juice, you can make various type and flavor of pasta or noodles.

Recipe book

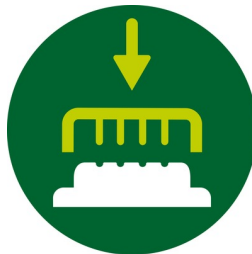

Accompanying the machine is a colorful recipe book which provides ingredient lists for 24 different types or flavors of pasta and recipes for over 20 pasta / noodle dishes.

Various shaping discs

With the machine there are 4 default shaping discs for Spaghetti, Penne, Fettuccini and Lasagna. More shaping discs will come as additional accessory for different type of noodles and pasta.

One-push cleaning tool

There is a specially designed cleaning tool matching the shaping discs (spaghetti and fettuccini) that makes cleaning an easy one-push job.

Storage

At the bottom of the Pasta maker there is a storage drawer where you can easily store the shaping discs and cleaning tools.

Powerful and fast extrusion

With advanced engineering and robust material and build of the machine, the Philips Pasta Maker can exert 1600 lb force on the dough during extrusion, which not only enables a fast making process in just 10 minutes, but also guarantees perfect texture and taste of the pasta.

IF DESIGN AWARD

IF award-winning products and projects, concepts and more, selected by the top names in design now aEach year, iF International Forum Design GmbH organizes one of the world's most celebrated and valued design competitions: the iF DESIGN AWARD. Recognized as a symbol of design excellence around the world, the iF DESIGN AWARD welcomes over 5,000 submissions from 70 countries every year.

Specifications

Accessories

Included: Cleaning tool, Measuring cup, Recipe booklet

Technical specifications

Power: 200 W
Frequency: 50 Hz
Cord length: 1.2 m
Voltage: 120 V

Country of origin

Made in: China

Design

Color of control panel: Silver
Color: Champagne

Finishing

Material accessories: Plastic
Material bar: AL+PTFE Coating
Material of main body: Plastic

General specifications

Number of shaping mouths: 4
Prefix programs: 2
Product features: Automatic shut-off,

Detachable shaft, LED display, Non-slip feet, On/off switch, Preset cooking function, Ready signal, Safety lock, Power-on light

Service

1-year consumer warranty
