Great coffee till the last drop

Aroma Swirl circulates coffee for optimal blend

This elegant Philips coffee maker allows you to enjoy a rich drip coffee aroma thanks to the Aroma Swirl. A smart nozzle in your coffee pot circulates your filter coffee for an optimal spread of aroma through the whole coffee jug.

Easy to experience

- 1.000 Watt
- Buffer ring for protection and stability
- Cable storage for easy placement in your kitchen
- Swing filter holder for easy filling of coffee
- Drip stop to pour a cup of coffee whenever you like
- LED power switch lights up when the coffee maker is switched
- Water level indication for easy filling
- Dishwasher-safe parts for easy cleaning

Great taste and aroma

- Aroma jug preserves the coffee flavor

Highlights

Protective buffer ring

The buffer ring around the glass jug provides protection and improved stability.

Glass aroma jug

The Philips Aroma jug is made of glass and designed to optimally preserve the coffee flavor.

Cable storage

Spare cable can be stored in the cable compartment under the coffee maker. It enables placing the coffee maker nicely in your kitchen.

Swing filter holder

The filter holder is opened by swinging it to the side, which makes the filling of coffee easy. The filter holder is also detachable, for easy cleaning.

LED power switch

The red light on the switch button illuminates when the coffee maker is switched on.

Water level indication

Fill the water tank easily and precisely with the water level indication.
