Highlights

2 speeds + pulse to crush ice

For the best performance blend at high or low speed and even crush ice with the special ice speed setting.

Anti spilling jar

A perfect flow of the juice out of the jar ensures no spilling when pouring due to special jar design.

2 years warranty

Philips Walita offers a full 2 years global warranty for this product to ensure you have long lifetime blender to use every day.

Strong 550 W power motor

The 550 Watt motor is very powerful. It will chop even the toughest ingredients such as nuts, chocolate or even ice.

Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.

Unbreakable jar

Comes with a very strong plastic jar that withstands intensive use.

Safety lock on both sides

Locking indication on both sides to ensure the blender jar is positioned and locked in a right and safe way so that anyone can use it.

Add liquid while blending

Add liquid to your recipe in a safe way via the special hole in the jar lid.

Anti-slip rubber feet

This robust blender base comes with anti-slip rubber feet to ensure it does not move, even when you use it for heavy recipes at the highest speed level.
