# Highlights

## Rapid Air technology

Airfryer's unique Rapid Air technology enables you to fry, bake, roast and grill the tastiest snacks and meals with less fat than a conventional fryer, by using little or no oil! Philips airfryer with Rapid Air technology also creates less smell than conventional fryers. It is easy to clean, safe and economical for daily use!

## Unique product design

Philips Airfryer's unique design, which combines fast-circulating superheated air, a starfish design and an optimal heating profile, allows you to fry a variety of delicious meals quickly, easily and more healthily without necessarily adding oil.

## Digital time and temp control

Its integrated timer allows you to pre-set cooking times of up to 60 minutes. The auto-off function includes a "ready" sound indicator. The fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 200 degrees. Enjoy crispy golden-brown chips, snacks, chicken, meat and more, all prepared at the right time and temperature for the best result!

## 0.8kg cooking capacity

Large cooking capacity for all your favourite recipes

## Easy to clean

The removable non-stick coated drawer and the food basket are dishwasher-safe for easy cleaning.

## 1400 W power

High-power performance for fast cooking results

## Double layer accessory

Maximise your Airfryer's cooking space with the double layer accessory. Bake, grill or fry tasty burgers, chicken wings, fish and more in an easy, quick, healthier way.

## International recipe booklet

This recipe book created by culinary experts gives inspiration for a variety of low-fat fried food that you can cook in the Airfryer. It also introduces you to recipes that showcase the versatility of the appliance so that you can grill, bake and even roast food more healthily, quickly and conveniently.
