Enjoy effortless homemade meals every day with essential accessories and space-saving design

If you enjoy healthy homemade meals but have a busy schedule, you'll love our Philips Daily Compact Food Processor. We've designed this compact collection especially for hectic lives. You can quickly and effortlessly prepare great dishes.

Designed for your busy lifestyle

- Powerful 700 W motor for effortless processing
- Convenient all-in-one appliance: knead, whisk, shred, slice
- Fast preparation with large feeding tube for minimal pre-cutting
- Colour-coded speed and accessories guide for easy matching
- Quick and easy assembly of all parts

Compact design reduces space, but not performance

- Smaller footprint and in-bowl storage for all accessories
- 2 –in-1 double-sided stainless steel discs: shred and slice
- Make up to 5 portions at same time with 1.5 L bowl capacity
- All accessories are dishwasher safe

Durable 1.5 L blender jar

- Resistant and transparent jar for heavy use

Highlights

Powerful 700 W motor

Our powerful motor can easily handle a variety of ingredients from bread dough to hard vegetables, cheese and chocolate. It also slices and shreds with ease.

Over 19+ functions

With more than 19 functions, there is no limit to what you can make: meals, bread, sauces and more. Use the high-quality and multi-functional accessories to chop, puree and mince ingredients with the S-blade or slice and shred with the 2-in-1 disc. Whatever you're in the mood for, whip, whisk, knead and more.

Large feeding tube

Fast preparation with large feeding tube for minimal pre-cutting.

Colour-coded speed guidance

For perfect results every time, just match the accessory colour to the same speed colour. Use speed 1 to whip cream, beat eggs and make pastries and bread doughs. Speed 2 is ideal to chop onions, mince meat, make smoothies and more.

Quick and easy assembly

Quick and easy assembly of all parts.

Space-saver design

The compact Daily Food Processor takes up less countertop space, yet is fully equipped with all of the kitchen essentials that you can easily store inside of the bowl.

Stainless steel 2-in-1 disc

Ergonomic, double-sided disc makes it easy to slice with one side and shred with the other side!

Up to 5 portions in one go

The generous 2.1 L bowl (1.5 L working capacity) lets you blend up to 5 portions of soup in one go.

Dishwasher-safe accessories

All accessory parts can be put on the top rack of your dishwasher for easy cleaning.

Break-resistant jar

The 1.5 L resistant jar has a working capacity of 1 L for up to 5 smoothie portions at once.
