Enjoy great toast

Toaster for always golden brown bread

Philips toaster with wide deep slots and self-centering feature to ensure evenly golden brown toast on thick or thin slices. Features integrated bun warming rack, slide out crumb tray and one-touch reheat and defrost buttons.

The way you want it

- Extrawide slots to fit your bread, thick or thin
- Bun warming rack to warm buns and croissants
- Variable width self-centered slots for evenly toasted bread

Easy to experience

- Defrost or reheat just toasted bread in one go
- Removable crumb tray for easy cleaning

With maximum safety

- High lift feature to safely take out small pieces of bread
- The outside of the toaster stays cool and safe to touch
- Automatic safety shut-off in event of jammed bread
- Cancel button to stop toasting at any time

Highlights

Automatic safety shut-off

The toaster will automatically shut-off if the bread gets jammed inside.

Bun warming rack

Bun warming rack to warm buns and croissants.

Cancel button

Cancel button to stop toasting at any time

Coolwall exterior

The outside of the toaster stays cool and safe to touch.

Defrost and reheat buttons

The defrost button on your toaster allows you to defrost and toast in one go, and the reheat button warms cold bread or further browns just toasted bread.

Extrawide slots

Philips toaster with extra wide slots to fit your bread, thick or thin.

High lift feature

High lift feature to safely take out small pieces of bread.

Removable crumb tray

Is easy to clean thanks to its removable crumb tray.

Wide self-centered slots

Philips toaster with self-centered slots allow you to put thick or thin slices and make sure they stay in the center for evenly toasted bread.
