- Dishwasher-safe plate

Highlights

Wide temperature range

Wide temperature range: up to 250°C for sealing the meat.

Digital timer

Digital timer signals when your food is ready.

Dishwasher-safe plate

Dishwasher-safe plate for easy cleaning.

Multiple grilling positions

The Philips electric grill can be used with the lid sealed, fully open or gratin, allowing you to prepare many different dishes. 1. The sealed

position holds in all the flavour and is ideal for grilling meat, fish, vegetables or sandwiches. 2. The fully open position is like a mini-barbeque, perfect for table grilling, fun cooking or warming up your food. 3. The gratin position is suitable for melting cheese onto toast or vegetables such as tomato and courgette.

Recipe booklet

Recipe booklet for right grilling temperature and time.

Healthy snack

Contact grill position to quickly prepare your healthy snack.

Non-stick grilling surface

Non-stick surface prevents food particles from sticking.

Oven position

Oven position to cook your fish, vegetables and pizza.

Gently grilling

Low temperature for gently grilling your fish and vegetables.

Double grilling surface

Table grill position to grill on double grilling surface.

High power

The high power of the appliance enables the grill plate to heat up quickly, reaching operating temperature very fast and saving you precious time. It also means that the grill surface keeps its heat when food is placed onto it because the high power ensures a fast recovery to the correct temperature.

Specifications
