- · Easy to store upright
- · Dishwasher-safe parts

#### **Smart features**

- · Grease drainage
- · Ribbed-and-smooth top allows stir-frying, grilling and more

Table grill HD4419/20

# Highlights

#### High temperature grill plate

The high temperature of the Philips electric grill plate seals in all the juices and flavour of the food. That's because the moment the food comes into contact with the surface of the grill, it begins to sizzle and brown, forming a tasty crust that keeps all the goodness and flavour inside, where it belongs.

#### Ribbed-and-smooth grill plate

The versatile grill plate gives you the choice of cooking with either a ribbed or smooth grilling surface, so you can enjoy your food the way you like. The smooth area is suitable for stirfrying and grilling small pieces of food. The ribbed surface creates that irresistible flamegrilled effect.

#### Adjustable thermostat

Adjustable thermostat ensures the perfect result.

#### **Upright storage**

Easy to store upright; tidy storage of cord and trav.

#### **Spatula**

Spatula for flipping, stirring and removing food.

#### **Dishwasher-safe parts**

Dishwasher-safe parts make cleaning easy.

#### **Grease drainage**

Excess grease is drained to removable tray.
