- Unique shaping discs

Enjoy full convenience of making pasta

- Automatic mixing, kneading and extruding

Various types and flavors of pasta & noodles

- Add different ingredients to personalize the flavor
- A free recipe book with over 20 different dishes

Highlights

Powerful and fast extrusion

With advanced engineering combined with robust material and build of the machine, the Philips Pasta maker can exert 1600 lb force on the dough during extrusion, this not only enables a fast making process in just 15 minutes, but also guarantees perfect texture and taste of the pasta or noodle.

Auto-weighing

The uniquely designed built-in auto-weighing function weighs the flour and indicates the correct amount of liquid automatically, making the whole process convenient and easy.

Unique shaping discs

The pasta maker comes with 8 shaping discs including penne, spaghetti, fettuccine, lasagne, dumpling, angel hair, thick spaghetti, tagliatelle and pappardelle. You can easily bring variety to the table.

Automatic process

After choosing a program and pressing the start button, the machine automatically mixes, kneads and extrudes in one go.

Personalized taste

By using different flour or adding different ingredients, like egg, herbs or spinach and carrot juice, you can make various types and flavors of pasta or noodles.

Recipe book

Accompanying the machine there is a colorful recipe book which provides ingredient lists for 24 different types or flavors of pasta, and recipes for over 20 pasta / noodle dishes.

Specifications

Accessories

Included: Cleaning tool, Measuring cup, Recipe booklet

Technical specifications

Power: 200 W
Cord length: 1.2 m
Frequency: 60 Hz
Voltage: 120 V

Weight and dimensions

Dimensions of product (LxWxH): 343 x 215 x 315 mm
Weight of product: 6.9 kg
Weight incl. packaging: 10.2 kg

Country of origin

Made in: China

Design

Color of control panel: Silver
Color: Cashmere grey

Finishing

Material accessories: POM
Material of main body: Plastic

General specifications

Number of shaping mouths: 8
Prefix programs: 2
Product features: LED display
