Pressurised steam  
generator

InstantCare

5 bar

Anti-calc

GC7521/02

## Fast and powerful ironing

Two minute quick start, refill any time

Created to speed up ironing from start to finish, the Philips InstantCare is ready to use in 2 minutes. The power of the pressurised steam speeds up ironing by penetrating deeper into the fabrics to remove the creases.

### Fast and powerful ironing

- Continuous steam up to 120 g/min
- Up to 5 bar pressure

### Comfortable ironing

- SteamGlide soleplate is Philips premium soleplate
- Lightweight iron for effortless ironing

### Easy to use

- Start quickly: less than 2 minutes start-up time
- Refill the water tank at any time, even during ironing
- Permanent anti-calc tablets inside delay scale build up

# Highlights

## Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

## SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

## Quick start: < 2 minutes

This system iron is ready to use in less than 2 minutes.

## Refill the water tank any time

The separate water tank allows you to re-fill the water tank any time, even during ironing, without waiting.

## Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

## Up to 5 bar pressure

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing both faster and better. Steam power can be regulated to suit your needs.
