Highlights

Power up to 2000 W

Power up to 2000 W enables constant high steam output.

Steam boost up to 100 g

Steam boost up to 100g for fast removal of even the most stubborn creases.

Continuous steam up to 25g/min

Continuous steam up to 25g/min for good crease removal.

Ceramic soleplate

Ceramic soleplate is scratch resistant, glides well and easy to clean.

Automatic shut-off

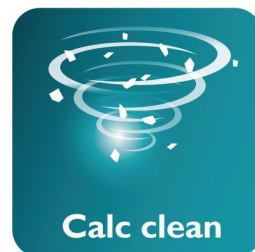

The iron shuts off automatically when left unattended. If it is left on it's heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Drip stop system

Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Fabric shaver

Easily removes pills and fuzz from garments and fabrics. All your garments, whether it is your sweater or your blanket, will look like new again.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.
