

PHILIPS

Filter for kettle

HD5237

Descals the water in your water kettle

Check compatibility data

This anti scale filter descales the water in your water kettle and prevents loose particles or limescale ending up in your beverage.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
