Ultra-fast ironing with powerful continuous steam

Philips PerfectCare Performer steam generator iron ensures a true simple, powerful, and no-burn ironing experience. The powerful continuous steam penetrates deeply and continuously into the fibre to remove creases easily.

No temperature setting needed; no burning, guaranteed

- No burns – guaranteed
- Go from ironing jeans to silk; no need to change temperature setting

Carry lock for safe and easy transport

- Automatic shut-off when the iron is left unattended

Extra convenience

- Large 1.8 L detachable water tank for easy refilling
- Powerful ironing with minimum noise

Fast and powerful

- Calc-clean container included — no cartridges, no extra cost
- Powerful steam for ultimate crease removal
- Save energy with ECO mode
- SteamGlide Plus soleplate for ultimate gliding

Highlights

Auto shut-off

The automatic shut-off function automatically switches off your steam generator iron if it has not been used for a few minutes. This saves energy and gives you peace of mind.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

1.8 l detachable water tank

1.8-litre transparent tank gives you up to 2 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light and you can refill easily at any time under the tap through the large filling door.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

Silent Steam technology

Silencing filters minimise steam noise and a sound-absorbing platform reduces vibration noise in the base unit. Our powerful steam won't overpower the sounds of television, music or family.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Energy saving

Save energy and get the same great results. ECO mode reduces your energy consumption for garments that require less steam.

SteamGlide Plus soleplate

Our exclusive SteamGlide Plus soleplate – with its advanced titanium layer and 6-layer coating – delivers ultimate gliding performance over any fabric. Non-stick, scratch-resistant and easy to keep clean.

Specifications

Technology

For all ironable fabrics
No burns
No temperature settings needed
OptimalTEMP technology
ProVelocity steam engine
Silent steam technology

Fast crease removal

Continuous steam: 120 g/min
Power: 2600 W
Pressure: Max 6.5-bar pump
Ready to use: 2 min
Steam boost: Up to 420 g
Steam-on-demand
Variable steam levels
Vertical steam

Easy to use

Soleplate gliding performance: 5 stars
Soleplate name: SteamGlide Plus
Water tank capacity: 1800 ml
Detachable water tank
Hose length: 1.6 m
Power cord length: 1.8 m
Ready to use: Light indicator
Safety auto off
Soleplate scratch resistance: 4 stars

Scale management

Descaling reminder: Sound

Storage

Carry lock: For transportation and safety
Hose storage: Hose storage compartment
