

# PHILIPS

Water container

Espresso

CRP450

## For water storage in your espresso maker

Please check specifications for compatible products

A water container should be cleaned regularly. Whenever cleaning is needed, you'll be happy to have an extra tank for your Philips espresso maker. The tank can hold 1.8 litres.

### **Ease of using Philips spare parts**

- Easily renew your product with original Philips parts

## Highlights

### Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.

## Specifications

### Replaceable part

**Fits product types:** HD5730/10
