Crispy golden brown toast every day

With 8 settings and integrated bun warming rack

This compact toaster comes with 8 settings and 2 large variable slots, so you can have even toasting result regardless of different bread types. The integrated bun warming rack also allows you to warm your favorite buns, pastries and rolls easily.

Even toasting results

- 8 browning settings for individual preference
- 2 large variable slots for different size of bread
- Integrated bun rack for heating rolls, pastries or buns

Easy to use

- Reheat, defrost in one go
- Cancel button for instant shut-off
- Removable crumb tray for easy cleaning
- High lift to safely take out smaller pieces

Safety and hygiene

- Extra auto shut-off protection
- Additional dust cover for hygiene

Highlights

8 browning settings

8 settings allow you to toast different types of bread without the risk of getting it burnt. Adjust the browning setting to your preference and get your toast the way you want it.

2 large variable slots

2 large variable slots for different size of bread. The bread is kept in the center for even browning results on both sides, thanks to the self-centering feature.

Integrated bun rack

Integrated bun rack to warm your favorite buns, pastries and rolls easily.

Reheat, defrost in one go

The reheat function warms toast in seconds, and the defrost function helps to toast frozen bread in one go.

Cancel button for instant shut

The cancel button stops toasting at any time for safe and precise operation.

Removable crumb tray

Easy to clean thanks to the removable crumb tray.

High lift function

High lift feature to easily remove small pieces of bread.

Extra auto shut-off protection

Extra auto-off protection protects the product against short circuit.

Additional dust cover

Additional dust cover for hygiene
