Highlights

Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favorite dishes for a one stop solution for all of your meals.

Rapid Air technology

Airfryer's unique Rapid Air technology enables you to fry, bake, roast and grill, the tastiest snacks and meals with less fat than a conventional fryer, by using little or no oil! Philips Airfryer with Rapid Air technology also creates less smell than conventional fryers, it is easy to clean, safe and economical for your daily use!

International recipe booklet

This recipe book created by culinary experts gives inspiration for a variety of low-fat fried food that you can cook in the Airfryer. It also introduces you to recipes that showcase the versatility of the appliance so that you can grill, bake and even roast food healthier, faster and more conveniently.

Double layer accessory

Maximize your Airfryer's cooking space with the double layer accessory. Bake, grill or fry tasty burgers, chicken wings, fish and more in an easy, quick, healthier way.

Unique product design

Philips Airfryer's unique design which combines fast circulating superheated air, starfish design and optimal heating profile allows you to fry a variety of delicious meals in a fast, easy and healthier way without necessarily adding oil.

Dishwasher safe parts

The removable nonstick coated drawer and the food basket are dishwasher safe for a quick and easy clean up. Philips Airfryer with Rapid Air Technology saves you and your home from the smell of fried oil compared to a regular fryer.

1.8lb cooking basket

1.8lb cooking basket for all your favourite recipes

Digital Control

The digital touchscreen interface lets you easily customize the settings to cook your food exactly as you want. The Philips Airfryer's integrated timer allows you to preset cooking times up to 60-minutes and includes a ready indicator and auto-off function. The fully adjustable temperature control allows you to preset the best cooking temperature for your food up to 390°F. Enjoy crispy golden fries, snacks, chicken and more all prepared at the right time and temperature for the best result!
