

PHILIPS

Steam iron

3300 series

2300 W

GC3320/32

Great results, minimum effort

3 x easier

This Philips steam iron not only offers you extra convenience because of the large water inlet, extra long cord and water level indicator; its new SteamGlide soleplate also makes ironing easier and smoother!

Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

Comfortable ironing

- Extra long cord for maximum reach
- Extra-large water inlet for fast, easy filling
- Extra-clear indicator for highly visible water level
- Drip-stop system keeps your garments spotless while ironing

Reaches into tricky areas

- Pointed tip for ironing tricky areas

Highlights

Extra-large water inlet

With the extra-large water inlet, adding water to your iron is quick and easy. It only takes a few seconds, and there's no more risk of spilling water everywhere!

Extra long cord

With the extra long cord, you can easily reach right up to the edges of your ironing board — and further!

Highly visible water level

The extra-clear indicator of your Philips iron makes the water level highly visible, so you always know if you have enough water at a glance.

Pointed tip

The uniquely pointed tip allows you to iron even the hardest to reach areas.

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.
