Designed for perfection

Iron with powerful steam performance

This new Philips Azur iron comes with an optimal design and weight to maneuver the iron easily over the garment, even into the hard to reach areas. Together with its powerful steam performance it gives you all you need for perfect results.

Easily removes creases

- 2400 W for quick heat up
- Steam output of up to 45 g/min for better crease removal
- 200 g steam boost for the most stubborn creases

Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

Safe ironing

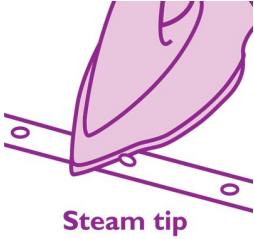

- Automatically turned off for safety and energy saving

Designed for perfect results

- Optimal design to manoeuvre the iron easily over the garment
- Lightweight to move the iron easily on and off the board
- Steam tip allows you to have steam in hard-to-reach areas
- Sideways opening filling door

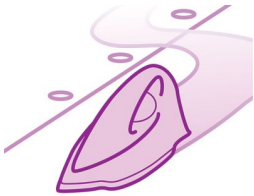

Highlights

Steam tip

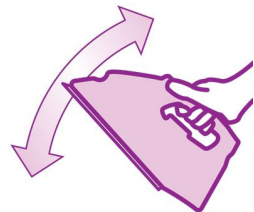

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Easy to handle

The Philips steam iron is designed to manoeuvre it easily over the garment and enabling you to reach easily even the hardest to reach areas.

Lightweight iron

The iron has an optimal weight of 1.6kg making it easy to constantly place the iron on the board and back to its heelrest.
