Highlights

With recipes for a growing baby

Everything you need to start. A recipe booklet helps you create a healthy diet for a growing baby.

Easy at-home blending and storing

Fresh, healthy and simple home-made food for baby. The first step to solid food.

With Mini Blender, wet mill...

Prepare: The Philips Avent Mini Blender and wet mill let you easily create natural, healthy food the way your baby prefers. Store: Use the

sturdy, stackable cups for storage in the fridge or freezer. Feed: At home or on-the-go, your baby enjoys fresh food that you prepared. Plus, you can warm it in the cup with the Philips Avent bottle and babyfood warmer.
