Feeding kids with Philips Avent

The Philips Avent Miniblender and Feeding Set lets you serve wholesome food, made just right for your baby's development, no matter where you are. Ideal for blending fruits and cooked vegetables or grains, nuts and even cooked meats.

Blend and go

- With Mini Blender, wet mill and storage

Store in refrigerator or freezer

- Easy at-home blending and storing

Includes helpful recipe booklet

- With recipes for a growing baby

Highlights

With recipes for a growing baby

Everything you need to start. A recipe booklet helps you create a healthy diet for a growing baby.

Easy at-home blending and storing

Fresh, healthy and simple home-made food for babies. The first step to solid food.

With Mini Blender, wet mill...

Prepare: The Philips Avent Mini Blender and wet mill let you easily create natural, healthy food the way your baby prefers. Store: Use the sturdy, stackable cups for storage in the fridge or freezer. Feed: At home or on the go, your baby enjoys fresh food that you have prepared. Plus, you can warm it in the cup with the Philips Avent bottle and baby food warmer.
