# Highlights

## Strong 350-W motor

Strong 350-W motor for fine blending. From morning smoothies to sauces and ice crushing — it's never been easier

## Break-resistant plastic jar

Avoid breakages with this reinforced plastic jar. The 1.5 litre jar has a working capacity of 1.25 litres.

## 4-star stainless steel blade

4-star stainless steel blade for effective blending and mixing. The newly designed blade will blend and cut soft and hard ingredients and make perfect smoothies and sauces for you and your family.

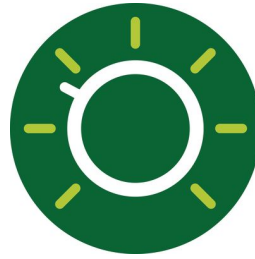

## 1 Speed and pulse

1 Speed for powerful blending and pulse for ice crushing.

## Comfortable thumb-grip handle

New handle with thumb-grip position for holding and carrying the jar easily.

## Intuitive knob for easy use

Select "blending function" or "pulse function" with just one button

## Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.

## All parts are dishwasher safe

All removable parts can be cleaned in the dishwasher.

## With motor overheating protection

Your Philips blender motor is designed to be protected from overheating and over-current conditions during use

## 2-year guarantee

Philips offers a full 2-year guarantee for this product to ensure you have a product with a long lifetime to use every day.
