Garment Steamer

ProTouch 2-in-1

2200W, 90g steam boost

2-in-1 with ErgoFit board

5 steam levels

Double pole with Hang&Lock

GC618/66

## Professional results for all garments

With PureSteam technology and ErgoFit board

Thanks to the innovative PureSteam technology and tiltable ErgoFit board, the new ProTouch 2-in-1 garment steamer ensures powerful steam performance to give you professional and crisp results for years to come!\*

### Professional results

- Penetrating powerful steam with up to 3 bar pump pressure
- 90g steam boost for tough wrinkle removal
- Tilttable ErgoFit board to achieve crisp results
- Precision tips for challenging areas

### More efficiency, less effort

- PureSteam technology ensures powerful steam over the years
- No descaling is needed, thanks to the PureSteam technology
- 5 steam settings for different kinds of fabric
- Select steam levels directly from the handle
- Auto steam stop for saving energy and water

### Reliable and safe

- Safe to use on all garments
- PVC free silicon steam hose
- Automatically switches to standby mode for safety

# Highlights

## Penetrating powerful steam

The innovative PureSteam technology is fundamentally different from other steamers. With up to 3 bar pump pressure, it generates powerful steam which penetrates deep into the garments, enabling you to remove creases with only a few strokes.

## Steam boost

By long pressing the steam selection button on the handle, up to 90g powerful steam boost is triggered, helping you to remove tough wrinkles easily.

## Powerful steam over the years

Other steamers are easy to lose steam performance over time due to scale build-up, even if you clean it regularly. With the innovative PureSteam technology, the heater is automatically descaled while generating steam. This prevents scale from building up. It is so effective that the steam is powerful for years to come\*.

## No descaling needed

Steamers need to be descaled regularly to ensure steam performance. With our new PureSteam technology, the heater is automatically descaled while generating steam, so you don't need to worry about it.

## Tiltable ErgoFit board

The ErgoFit board is designed to suit how you steam. It can be tilted by 30°, which gives stable and comfortable support to make pleats and achieve crisp results. Also, the shoulder shape of the board provides a better fit for the garment.

## Easy steam level selection

By pressing the steam selection button on the handle, you can easily change steam level for different fabrics - no need to bend down!

## 5 steam settings

Set your preferred steam setting for optimal results on different kinds of fabric.

## Auto steam stop

When you want to pause during steaming, just put the steamer head on the dock and the steam will automatically stop, saving both energy and water

## Precision tips

The Precision tips of the steamer head enable you to reach the challenging areas, such as the collar, the shoulder, and the in-between buttons, giving you precise results.

# Specifications

## Technology

PureSteam Technology

## Fast crease removal

Continuous steam: up to 45 g/min

Power: 2200 W

Pressure: Max 3 bar pump pressure

Ready to use: <1.5 min

Steam boost: 90 g

Variable steam: 5 levels

## Easy to use

Safe on all ironable fabrics: Even delicates like silk

Soleplate name: SmartFlow Gold steam plate

Water tank capacity: 2000 ml

Auto steam stop

Detachable water tank

Hang&Lock

Hose length: 1.3 m

Power cord length: 1.6 m

Refill any time during use

Safety auto off

Select steam level from handle

Silicone steam hose

Support for ironing: Tilttable ErgoFit board

Tap water suitable

## Scale management

Descaling and cleaning: Auto de-calc

## Accessories included

Brush

Glove for extra protection

Pants hanger
