Designed for perfection

Iron with powerful steam performance

This new Philips Azur iron comes with an optimal design and weight to maneuver the iron easily over the garment, even into the hard to reach areas. Together with its powerful steam performance it gives you all you need for perfect results.

Easily removes creases

- Steam output of up to 50 g/min for better crease removal
- 2600 W for quick heat up and powerful performance
- 200 g steam boost for the most stubborn creases

Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

Safe ironing

- Automatically turned off for safety and energy saving

Designed for perfect results

- Optimal design to manoeuvre the iron easily over the garment
- Lightweight to move the iron easily on and off the board
- Steam tip allows you to have steam in hard-to-reach areas
- Sideways opening filling door

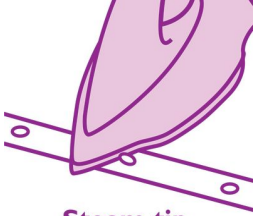

Highlights

Safety auto off

The safety auto off function automatically switches off the appliance if it has not been used for 5 minutes, to save energy.

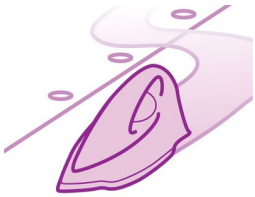

Steam tip

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Easy to handle

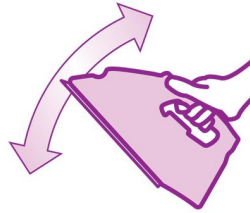

Easy to handle

The Philips steam iron is designed to manoeuvre it easily over the garment and enabling you to reach easily even the hardest to reach areas.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Lightweight iron

The iron has an optimal weight of 1.6kg making it easy to constantly place the iron on the board and back to its heelrest.

2600 W for quick heat up

2600 W
max
