Highlights

Up to 2.7 kgs/min

Mincing capacity up to 2.7 kgs in 1 minute.

Sausage horns

The 2 differently sized sausage horns allow you to create different types of results. use the 12mm for thinner results, or the 22mm one for thicker ones.

Kebbe maker

Kebbe maker included

Hygienic steel grinding discs

Hygienic stainless steel grinding discs (5mm and 8mm).

Meat tray with dust cover

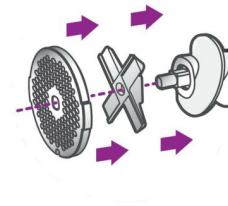

Meat tray with dust cover

Accessory storage included

The accessory storage keeps all your Philips meat mincer accessories easily at hand.

Selfcorrecting knife and screw

The knife can only be assembled correctly on the feeding screw

Innovative cleaning tool

Innovative 2 sided cleaning tool shortens cleaning time with 50%. After mincing, simply click the mincing screen onto the cleaning tool and rinse under running water. No more tedious cleaning of clogged screen holes!
