HD2686/30

Have it your way, exactly your way

Toaster for different types of bread

This Philips toaster HD2686/30 enables you to prepare the kind of toast you want, thanks to the extra-long, extra-wide slots. The eight digital browning settings give you full control so you get the crispy toasted bread you like.

Toast any type of bread

- Extra long slots to fit all kinds of bread
- Extra wide and extra deep slot(s) to fit your bread
- Evenly toasts thick or thin slices

Exactly the way you like

- Bun warming rack to warm buns and croissants
- Defrost and toast frozen bread at any browning level
- Reheat setting warms or further browns just-toasted bread

In the easiest way

- Cancel button stops toasting at any time
- High lift feature to safely take out small pieces of bread
- The outside of the toaster stays cool and safe to touch
- Removable crumb tray for easy cleaning
