Highlights

2-in-1 steaming function

2-in-1 vertical and horizontal steaming function allows you to achieve even better results with your garment steamer. Steam your clothes vertically without using an ironing board or give them a really crisp touch by steaming horizontally on any straight surface around you. Due to its unique internal design this Steam&Go 2-in-1 will generate powerful continuous steam even in the horizontal position, so now you can also steam your soft furniture and bed linen.

SmartFlow heated plate

SmartFlow technology ensures great ironing results as the optimised steam flow heats up the steam plate. This keeps the steam plate at an optimal, safe temperature for all fabrics while effectively preventing wet spots. It features a coating that enables good gliding and corrosion resistance.

Automatic continuous steam

Electric pump provides continuous steam for easy and quick crease removal.

Safe on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

No ironing board needed

By using the steamer you do not need an ironing board anymore, which makes ironing hassle-free.

Detachable water tank

Detachable water tank for easier filling.

Fast heat-up time

The steamer is ready to use within seconds.

Ergonomic design

The handheld steamer is light and comfortable to use thanks to the ergonomic and compact design. Just press the trigger and quickly remove creases with continuous steam.

Steam kills bacteria

Hot steam kills up to 99.9% of bacteria on clothes and helps to delay washing or dry cleaning*.

Removes unwanted odours

Powerful steam removes cigarette, food and body odours.

Brush accessory

Use the brush accessory with thicker garments like coats for better steam penetration and a smoother finish.
