Screw ring for  
feeding bottle

SCF925

## Screw ring for bottle

Find matching products on the specifications tab

The adapter ring is one part of the Avent two-piece anti-colic system. This consists of the ring and a silicone teat. As your baby feeds, the unique skirt on the teat flexes to allow air into the feeding bottle instead of your baby's tummy.

### **Ease of using Philips spare parts**

- Easily renew your product with original Philips parts
