Great cleaning on all floors

More power for a better clean

Treat yourself to a really clean floor with the Philips EasyLife vacuum cleaner with new turbo brush, for better cleaning results on carpets. The 2100 Watt motor provides high cleaning power for perfect results.

Great cleaning results

- 2100 Watt motor generating max. 425W suction power
- Turbo Brush nozzle removes 25% more hairs and dust

Convenience

- Hygienic dustbag removal for a easier clean
- Long reach for convenient cleaning

Integrated Anti-Allergy system

- s-bag Classic Long Performance captures fine dust
- HEPA filter for a clean and healthy home

Highlights

s-bag CLP

The Philips s-bag Classic Long Performance made of three layers of high quality, non-clogging material captures fine dust. This good filtration gives you a better cleaning result and clean air in your home. The s-bag CLP has been tested and certified by the independent test institute TÜV Rheinland Group, proven to last up to 50% longer than a standard dustbag.

2100 Watt motor

This powerful 2100 Watt motor generates max. 425 Watt suction power for excellent cleaning results.

HEPA filter

This HEPA filter, captures up to 99% of dust, allergen, and other minute particles. Trapping the dust inside the vacuum cleaner, keeping your home a clean and healthy environment.

Hygienic dustbag removal

With the hygienic closing system of the s-bag, and the ease with which it can be removed from the dustchamber, you can easily dispose of the s-bag without touching the dust.

Long reach

With over 9 meters reach you can clean more without having to switch electrical plugs.

Turbo Brush nozzle

The Turbo Brush nozzle allows deep cleaning of carpets and quick hair and fluff removal from carpets. The rotating brush actively removes small dust particles and hairs, resulting in a 25% better cleaning performance on carpets. The wheels of the nozzle prevent damage in case of use on hard-floors.

Specifications

Design

Color: Electric black

Performance

Input power (max): 2100 W
Input power (IEC): 1800 W
Suction power (max): 410 W
Vacuum (max): 30 kPa
Airflow (max): 45 l/s
Noise level (Lc IEC): 80 dB

Filtration

Dust capacity: 3 L
Dust bag type: s-bag
Exhaust filter: HEPA washable filter

Usability

Action radius: 10 m
Cord length: 6 m
Tube type: Metal 2-piece telescopic tube
Carrying handle: Front
Dust full indicator
Tube coupling: Conical
Wheel type: Rubber
Power control: Electronic on appliance

Nozzles and accessories

Standard nozzle: All-purpose nozzle
Additional nozzle: Full turbo brush
Accessories included: Crevice tool, Small nozzle
Accessory storage: On tubeclip

Weight and dimensions

Weight of product: 5.5 kg
Dimensions of product (LxWxH): 428.5 x 314 x 213 mm
