- Large innovative ribbed design glass jar

#### **Convenient to use and easy to clean**

- Easy-grip control dial with 3 speed settings
- Pulse function for smoother blending
- Dishwasher-safe parts
- Removable blade unit for easy cleaning

# Highlights

## 2 year warranty

You enjoy a 2-year worldwide warranty on our blenders – which is our guarantee of long-lasting quality and operation.

## Powerful 800 W motor

Powerful but energy efficient 800 W motor for balancing power efficiency and perfect blending results. Designed to maximize the performance of the ProBlend Crush technology.

## Pro Blend Crush Technology

ProBlend Crush technology turns toughest ingredients into finest smoothies twice as fast. Our unique 6-star blades in combination with our efficiently designed 900 W motor crush ice and big pieces to perfection.

## Large capacity glass jar

The large 2 L jar has a working capacity of 1.5 L for deliciously blended smoothies to share with the whole family or save for later

## Large ribbed glass jar

The innovative ribbed glass jar design ensures the optimal flow of ingredients for the finest blending results.

## 3 speed settings

Our control dial is molded with non-slip grip, so you can easily control the blender speed. From gentle blending for soft fruits – to a burst of power for harder fruit and vegetables. It's up to you with our manual speed control.

## Pulse function

Blend your mixes thoroughly smooth by using the handy pulse control – so all the bits and pieces are brought down to the blades for another round of fine blending.

## EasyClean

Its removable blade unit is designed for more thorough cleaning. All detachable parts are also dishwasher safe.

## Dishwasher-safe parts

All detachable parts of your Philips blender are dishwasher safe.

# Specifications

## Accessories
