

PHILIPS

Handheld garment steamer

Steam&Go

1300 W, up to 24 g/min

Horizontal and Vertical Steaming

70 ml Detachable water tank

Heat resistant storage bag

GC362/86

Compact solution for easy de-wrinkling

Use vertically or horizontally for better results

Easier steaming with our handheld garment steamer. Use vertically or horizontally on difficult-to-iron areas and to refresh clothing - no burns guaranteed.

Lightweight and compact design makes it easy to use anytime, anywhere. Just steam and go!

Quick de-wrinkling

- Vertical and horizontal steaming for more convenience
- SmartFlow heated plate for better steaming results*
- Automatic continuous steam for easy de-wrinkling
- Brush accessory for thicker fabrics

Easy to use and safe

- Safe on all ironable fabrics, no burns guaranteed
- No ironing board needed
- Compact design for convenient use, storage and travel
- Detachable water tank for easier filling
- 2.5 m cord for longer reach
- Heat-resistant bag for easy storage

Refreshes clothes without washing or dry cleaning

- Continuous steam removes odours and kills 99.99%* of bacteria

Highlights

Vertical and horizontal steaming

Steam vertically for quick de-wrinkling and to refresh hanging clothes without an ironing board. Steam horizontally to get perfect results on difficult-to-iron areas, like cuffs and collars. In either position, powerful continuous steam provides great results.

SmartFlow heated plate

Thanks to SmartFlow technology, the steam plate is heated up to an optimal temperature, safe for all fabrics, and prevents wet spots. The heated steam plate helps to press the fabric while steaming horizontally and provides even better steaming results*.

Continuous steam

An electric pump automatically provides continuous steam for easy and quick de-wrinkling.

Brush accessory

The brush attachment opens the fabric fibres and enables better steam penetration. It is especially good for thicker garments like jackets and coats. It can also help to remove dirt and pills.

Safe on all ironable fabrics

The steamer is safe to use on all ironable fabrics and garments. The steam plate can be safely pressed against any clothing with no risk of burning – a great solution for delicate fabrics, like silk.

No ironing board needed

Using a clothes steamer on hanging garments eliminates the need for an ironing board, so de-wrinkling is easy and hassle free.

Ergonomic design

The handheld garment steamer is ergonomically designed to be light, compact and comfortable to use. Just press the trigger and watch wrinkles and creases disappear.

Detachable water tank

The water tank detaches for easy filling under the tap.

2.5 m cord

for longer reach

Exclusive storage bag

Use the supplied storage bag to store the handheld steamer after use or to take with you when travelling

Specifications

Fast crease removal

Continuous steam: Up to 24 g/min

Power: 1300 W
