# Highlights

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

## 2400 Watt

2400 Watt enables constant high steam output.

## Steam boost up to 130 g

The steam boost can be used for vertical steaming and tough creases.

## Extra-long 3 m cord

With the extra-long 3 m cord of your Philips iron, you can easily reach right up to the edges of your ironing board - and further!

## Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.
