For convenient healthy feeding

Works with baby's natural feeding rhythm

Enjoy more convenience and the assurance of healthy feeding for baby with the Avent Tempo Natural Feeding Nurser. Tempo Liners collapse as baby feeds, letting baby control milk flow and resulting in less air in baby's tummy.

Benefits and features:

- Disposable system
- Liner collapses for less air in baby's tummy
- Baby controls milk flow
- Supports breastfeeding
- Pre-formed, pre-sterilized liners

Highlights

Pre-formed, pre-sterilized liners

Tempo Liners are pre-sterilized, disposable and designed with a wider shape to make filling and feeding easier.

Disposable system

Tempo liners are strong, wide-shaped and pre-formed to make filling and feeding easier. You enjoy the convenience of pre-sterilized, disposable liner for every feeding.

Less colic, gas and discomfort

Tempo Liners collapse as baby feeds, for less air in baby's tummy.

Baby controls milk flow

The Tempo Natural Feeding Nurser promotes healthy, active feeding by letting baby control milk flow more like breastfeeding. This can reduce overeating and spit-up.

Supports breastfeeding

Naturally shaped teat promotes proper latch-on and makes it easier to combine breast and bottle.
